

REVISION = See Again

- Have fun!
- Make big changes
- Consider little changes
- Focus on the first thing that comes to mind
- Look around
- Get ideas from others
- Borrow
- Think harder
- Review what's there
- Look at what you have
- Try opposites
- Look at all the options
- Be random
- Do something interesting
- Take a risk
- Try new things that you might not have tried before
- Get creative
- Be unique
- Liven it up
- Use your resources
- Take advice of others
- Use your imagination
- Think about what you have seen before
- Think outside the TRIANGLE!
- Just start changing things
- Listen to your common sense
- Upgrade something
- Do something unexpected
- Improvise
- Try an earlier trick
- Use magic whenever possible
- Start over
- Rethink your original idea
- Start from a new point of view
- Brainstorm again
- Look for good models
- Use your resources
- Gather input from others
- Laugh out loud!
